IMPORTANT! If a declared OIM major meets the enrollment eligibility, they are unable to self-enroll, and the course is open, please contact Samantha Whittle at swhittle@isenberg.umass.edu.

Spire Waitlist Guidance for OIM Courses (and all BBA Core Courses including OIM 210, OIM 240, and OIM 301)

1. Students should self-enroll if the course is open, and prerequisites are met
2. Students should add themselves to the Spire waitlist if the course is full, but the waitlist is open

- a. If a seat becomes available, students on the Spire waitlist will not be automatically enrolled if...
 - The waitlisted course conflicts with a course in their schedule,
 - The waitlisted course will put them beyond the allowable 19 credits (unless they have been approved for a credit overload – academic advisors review credit overload requests for Spring in early January)
3. If the course is full and the waitlist is full; students should monitor the course via Spire for seat

availability

4. OIM majors with a graduation term of Spring 2025 should contact Samantha Whittle at swhittle@isenberg.umass.edu if they are unable to enroll in a required course to graduate.
